

## **PRIVACY POLICY**

T&M is committed to protecting your privacy and will collect no personal information about you unless you choose to provide that information to us. Such information is securely stored within the T&M Technology Solutions, Inc private network. Some information may also be shared with T&M Technology Solutions Inc business partners and other organizations and individuals with which T&M Technology Solutions Inc has established a strategic alliance or other contractual relationship. The primary purpose behind the sharing of information is to better the services being provided to you by T&M Technology Solutions Inc and by the organizations and individuals for which T&M Technology Solutions Inc has established contractual relationships. Information will also be used to improve T&M Technology Solutions Inc sales, marketing, and business development efforts.

## **HOW WE HANDLE INFORMATION ABOUT YOUR VISIT TO OUR SITE**

If you read or download information, we automatically collect and store:

- the requested web page
- the domain from which you access the Internet (e.g. compuserve.com)
- the date and time you access our site
- status of the request (e.g. success or failure)
- the type and version of your web browser (Netscape, Explorer, etc.)
- the operating system (Windows, Mac, Unix, etc.) of the machine running the web browser

## **LINKS & DISCLAIMER**

Our web site has links to many other organizations with their permission. Upon leaving the T&M Technology Solutions Inc web site, you are subject to the privacy policy of the new site. T&M Technology Solutions Inc is not responsible for the availability of the systems being linked to and these links are provided to you as a service for you to better understand the different business relationships that T&M Technology Solutions Inc has established.
